METAL 
DEKORATİF PASLANMAZ ÇELİK

DECORINOX
DECORATIVE STAINLESS STEEL

1999 yılında girdiğimiz paslanmaz çelik sektöründe tek bir alanda uzmanlaşmak amacıyla 2003 yılında ASGE METAL'i kurduk. Yüksek kalitede dekoratif paslanmaz çelik ürünlerini Türkiye'ye getirerek başladığımız bu yolda bugün DECORINOX markası altında kendi ürünlerimizi üretmenin gururunu yaşıyoruz.

2009 yılında üretime başlayan Türkiye'nin ilk ve tek dekoratif paslanmaz çelik üreticisi olan ASGE METAL; kalite, ebat, termin süresi gibi konularda dışa bağımlılığı keserek, siz değerli kullanıcıların istek ve ihtiyaçları doğrultusunda özel desen, renk, ebat, miktar ve kalınlıkta DECORINOX dekoratif paslanmaz çelik üretmektedir.

As ASGE METAL, we have been participating in stainless steel industry since 1999. In order to specialize only in decorative stainless steel market, we established ASGE METAL in 2003. While the company was only importing decorative stainless steel at the beginning, today ASGE METAL is able to export its own production of high quality decorative stainless steel products under the brand name of DECORINOX.

ASGE METAL, the one and only decorative stainless steel producer in Turkey, started DECORINOX manufacturing in 2009. By cutting dependence to foreign markets concerning quality, dimensions and delivery time, ASGE METAL became more proficient in meeting specific demands of users regarding special pattern, colour, quantity and thickness.

- 1999** Entry to Stainless Steel Market.
- 2003** In order to specialize only in decorative stainless steel, we established ASGE METAL.
- 2009** We achieved to produce Turkey's first ever decorative stainless steel; DECORINOX.
- 2015** Within the area of 2.400 m² factory located in Istanbul, Asge Metal is the only Turkish company that operates **8K Mirror Polishing Line, Chemical Etching Line and T.I Color Coating Machine.**

Hedefimiz; varolan yüksek ürün kalitemizi korumak ve firmamızı küresel çelik endüstrisinde daha ileriye taşımaktır. Bu amaç doğrultusunda bütün enerjimizi yalnızca DECORINOX dekoratif paslanmaz çelik üretimine ve pazarlamasına odaklıyoruz. Ancak bu şekilde ürünlerimizin hitap ettiği sektörlerdeki tüm iş ortaklarımıza en iyi hizmeti sunabileceğimizin farkındayız.

304, 430, 201 VE 316 kalitedeki BA, 2B, SB ve taşlı yüzeye sahip paslanmaz sacları İstanbul'da işleyerek ürüne katma değer sağlıyoruz. DECORINOX ürünleri Türkiye'de üretilip yurt dışına ihraç ediyoruz. Bu sayede ülke ekonomisinin gücüne, sanayi alanındaki üretim çeşitliliğine ve "Made in Turkey" marka değerine katkıda bulunuyoruz.

Bu katkımızın artarak devam etmesi gayesiyle s"ürekli" kavramını işimizin her alanında odak noktası olarak alıyoruz. Bu bağlamda çalışanlarımızın eğitimi ve sağlığı, çevre bilinci ve müşteri memnuniyeti konularında şeffaf ve hassas olmaya özen gösteriyoruz.

Our objective is to carry ASGE METAL to higher positions in the global steel industry by working hard to maintain and improve the already existed high quality of DECORINOX products. In accordance with this purpose, ASGE METAL focuses its energy solely on producing and marketing decorative stainless steel. We acknowledge that this is the only way to offer the best product and service to our business partners.

We process 304, 430, 441, 316 and 201 alloy types of No:8 super mirror, BA, 2B, Scotch-Brite(SB), Hairline and DECORINOX® surface finishes stainless steel in Istanbul. ASGE METAL manufactures DECORINOX products in Turkey and exports it to foreign markets. By this way we contribute to economy of our country, increase production variety of the industry and improve the brand reputation Made in Turkey.

In this respect we are working hard to maintain customer satisfaction at all time. Additionally, we care about working conditions and training of our employees and we are aware of our environmental responsibilities.
